March 2008

A NOTE FROM THE ADMINISTRATION

This is an important time of year in our school. This is the time when we begin making course selection plans for next year. All students have received a presentation on making their course selection for the 2008-2009 school year. Your child should have completed a course registration form prior to the Easter weekend. However, there will be a catch-up session on March 31st for any students who may have not completed the form. If you have any questions regarding registering for courses next year please contact the office. You may obtain all the information about course registration by visiting the "parents" link on our web site.

On behalf of the staff we would like to wish all students and families a safe and relaxing holiday.

Best regards,
Trevor Smith

Workshop on Internet Dangers

Vanier Collegiate will be hosting a very important workshop this spring. Computers and technology are a important way for us to communicate today, but with every advantage comes some disadvantages. Issues of cyber bullying, threats, internet predators, concerns with MySpace and Facebook and even identity theft are common place discussions we have in the school environment. Vanier's workshop will outling how you can protect both yourself and your children from the dangers that lurk on the internet. Presenters will include Jamie Jamieson, Program Supervisor of Technology for the Holy Trinity Catholic School Division, Corporal Blair Bucsis from the Moose Jaw Police Service and Laura Burgart, Student Supervisor at Vanier Collegiate. There will be presentations with plenty of time for questions. The workshop will take place on Wednesday, April 16, 2008 at Vanier Collegiate, 324 MacDonald Street West at 7:00 p.m. Please call Laura Burgart at 693-6744 with any questions. We look forward to seeing you there!

STANDARD OF DRESS

Central Collegiate is consistently striving to meet the educational, personal and social needs of our students. As an educational institution our primary objective is learning. In order to establish an environment that is supportive of our objectives, we must deal with issues that are disruptive towards meeting our objectives.

Our standard of dress policy is intended to offer clear guidelines as to what is acceptable in our school. Students should keep in mind that dress should be appropriate for a conservative work place.

The following are guidelines for student dress:

- Clothing that reveals a person's midriff (front or back), cleavage or underwear garments is unacceptable.
- Shorts, skirts and dresses, including their slits, must not reach higher than the student's extended fingertips.
- Clothing with offensive language, pictures, designs or slogans including alcohol or drug symbols, or racist related wording are not acceptable.
- Students are not to wear hats in the school.
- Footwear is to be worn in the school.

Students are to maintain the above standard of dress while on school property during regular school hours. The school reserves the right to ask students to change clothing that does not meet the standards.

Ronald Morrish presents Secrets of Discipline

Do you want to reduce behavior problems, increase responsibility and reinforce desired behaviors in your child? Come hear Mr. Morrish give practical and effective ideas for creating positive family dynamics. Appropriate for children age 0 to 12, both parents and caregivers. The presentation takes place Tuesday, April 22, 2008 from 7:00 to 9:00 p.m. in the Solarium of Moose Jaw Union Hospital, 6th Floor. Refreshments will be served. No charge but pre-registration is required. Registration forms are available at CCI's main office. If you have any questions or if you need child care, please contact either Melody Mitchell at 691-1358 or email her at mitchell.melody@prairiesouth.ca or Paul Green at 691-6480 or email her at pgre@fhhr.ca. Sponsored by: Five Hills Health Region, Understanding the Early Years, Prairie South School Division, Mental Health & Addictions Services and Ministry of Social Services.
