

# Central Collegiate Graduation 2010

## November Newsletter

Planning has begun for Central's upcoming Graduation 2010! Graduation celebrations consist of two components. The first is the formal Cap and Gown Ceremony which is planned and organized by CCI staff. Students who meet graduation requirements as outlined by Saskatchewan Learning are eligible to participate.

The second component of our graduation includes the grand march and banquet followed by chem-free activities lasting well into the night. Students who have completed four years of high school are eligible to attend these activities with their classmates. This part of the grad is planned and supervised by a group of parents and students. The parent committee has held two grad meetings so far. Many parents have volunteered and committees have been formed. If you were unable to attend the meetings and would still like to help out, we are still looking for volunteers! We will need lots of help between now and Graduation. Please contact one of our Grad Committee Co-chairs, Debbie Martin at 694- 4051, or Charlene Heebner at 693-9875, if you would like to volunteer or if you have any questions or concerns.

A \$20.00 fee will be required from each grad for the gown rental. This will be collected in the spring. Any questions regarding eligibility for the Cap & Gown ceremony should be directed to Mr. Turcotte at the school.

### **Banquet**

The price and number of tickets per grad is yet to be determined. More information regarding banquet tickets will be provided in a future newsletter.

### **After Grad Party**

Following the banquet and dance, entertainment for the grads and their escorts will be provided. More details will follow at a later date. Some guidelines will include;

- This is a 'chem-free' party. Any individual using alcohol or drugs will be sent home.
- Once students arrive for the banquet, they are not allowed to leave the building. A change of clothes for the after-midnight celebrations must be brought in a clear plastic bag.
- In order to attend the party, grads and parents/guardians must sign a contract outlining conditions of transportation to and from the Convention Centre. Students must not bring their own vehicles.
- Banquet tickets will be provided to the student once the contract has been signed and returned to the Grad committee.

**We will keep you posted! Please check Central's Website for updates.**
